

**September 23-25, 2021**  
**Albany, New York**

**Enhance Sales | Increase Visibility | Advance Partnerships | New Business**

As a valued industry partner, we would like to extend an invitation to sponsor our upcoming Auto Recyclers Northeast (ARNE) Convention. Join us September 23-25, 2021 at the Capital Center in Albany, NY. A sponsorship would provide you with the exposure to a multitude of Recyclers and businesses like yours, who appreciate the same quality service and products you consistently deliver to us.

If you wish, you may also attend this event for a social evening, display your wares, or present your offerings during this convention. For these additional opportunities contact Victoria at [arne@caphill.com](mailto:arne@caphill.com) or by phone at 518-694-5359.

We are looking forward to hosting this event in September with you supporting this industry that you partner with through your services and products.

**Join us as a Bronze Level Partner for \$2,500** and you will receive registration for 1 representative, your company logo listed as a sponsor in our program, the company logo placed on all signage, an exhibit table available on request, social media promotion to benefit your company directly, a company profile on the convention website and in the convention program to tell attendees and those who could not make it about your services, a quarter page ad in the program, and much more.

**Learn more at [www.arne.pro](http://www.arne.pro) today!**

**What is ARNE?** ARNE was created to provide an opportunity to unite the Northeast Region for one major trade show for the Automotive Recycling industry. This will be the 3<sup>rd</sup> ARNE event and the 2<sup>nd</sup> in conjunction with PRP-NE (Premium Recycled Parts – Northeast), where we offer this opportunity to provide greater support and engagement for companies to network and secure business through a diversified platform.

The Automotive Recyclers Association of New York (ARANY) spearheads this convention in conjunction with the partners of PRP-NE and Associations from across the Northeast. ARANY proudly boasts over 95 Full Service and Self-Service Facilities as our members, in addition to the 21 partners in PRP-NE. Our members and partners staff industry members who benefit greatly from this event, the connections made with our supporters and industry representatives, as well as education to benefit them and create a more engaged and efficient workforce.
